In signing the aforementioned certification and agreement document, Northeast Lakeview College assures its intent to use no less than 50% of the Federal funding received under Section 18004 (a)(1) of the CARES Act to provide Emergency Financial Aid Grants to students.
NUMBER OF STUDENTS ELIGIBLE FOR AID: <i>The estimated total number of Northeast Lakeview College students eligible to participate in programs under Section 484 of the Higher Education Act (HEA) of 1965 and thus eligible to receive Emergency Financial Aid Grants to students under Section 18004(a)(1) of the CARES Act for this reporting period.</i>	3,448

METHODOLOGY TO DETERMINE FUNDING:	The method(s) used by the institution to determine which students receive Emergency Financial Aid Grants and how much they would receive under Section 18004(a)(1) of the CARES Act. Northeast Lakeview College's students apply through the Student Financial Aid Office which then evaluates their Title IV eligibility and other applicable CARE Act eligibility criteria. An electronic application is being used for students to request funds. Based on Department of Education guidance, supporting documentation of need was requested but was not mandatory. On the application, students request funds and also sign a certification stating funds are for expenses as a result

	of a disruption in their education due to the COVID-19 pandemic. The application was placed online in a pre-fillable pdf that was submitted electronically to the priorityaid@alamo.edu inbox. Financial Aid staff then process applications from the queue by date received.
